HOLDS TRIAL OF CHRIST ILLEGAL

S. B. Pettengill Speaks Before Studebaker Club on Legal Phase of Event.

An address on "The Trial of Christ From a Lawyer's Standpoint" by Samuel B. Pettengill was the feature of the Studebaker club program given Friday night. The meeting was in the nature of a fall festival and only a short business session was held. There was a brief consideration of means by which new sidewalks in certain sections of the Studebaker district might be secured. There was no discussion on the question of the proposed golf course in the Studebaker park.

Mr. Pettengill reviewed the incidents connected with the trial of Christ simply from the legal standpoint calling attention to the fact that the question under consideration was not a denominational one. At the time of his trial, the speaker pointed out, Christ was considered as merely an ordinary Jewish citizen for his divinity had not yet been established. The speaker called attention to the hatred against him that had arisen through his challenging of the old laws and his holding of the Pharisees up to ridicule. This hatred, he said, was similar to that which cropped out against Leo Frank in Georgia.

Christ's Trial Illegal.
After reviewing the life of Christ, Mr. Pettengill discussed the question of whether or not an ordinary citizen, Christ had received a fair trial according to the established Jewish court procedure. The trial, he held, was not fair for the reason, mainly, that a night had not intervened, as the law provided, between the verdict and the execution, and because the Sanhedrin had not conducted the trial at night contrary to established custom. Other things of a minor nature that transpired during this trial also went to prove, the speaker held, that Christ had been the victim of a blind hatred. In referring to Pontius Pilate, the speaker drew a comparison between his cowardliness and the bravery of John Marshall during the trial of Aaron Burr.

The remainder of the program was as follows: Community singing, led by William Goebel; reading, Miss Esther Balsley; whistling solo, Miss Hannah Auer; reading, Mrs. Frank Batson; vocal solo, Elinore Windbliger; piano solo, Edmund Wowski.

C. OF C. SECRETARYSHIP STILL HANGING FIRE

Bureau Heads Discuss Question Informally But Take No Action.

Several heads of Chamber of Commerce bureaus met for an informal discussion of the appointment of a secretary at the Chamber of Commerce Friday afternoon, but no definite action was taken. The secretaryship is still hanging fire as it has been since the latter part of September. It is probable that the appointment will be made some time next week.

Members of the committees, heads of which were named Thursday, will be announced within a few days.

Frank M. Boone and C. A. Dolph, chairmen of the membership and finance committees, respectively, discussed the personnel of their organizations, but did not make all of the appointments.

ORGANIZE FIBRE COMPANY

Various Products to be Made From Peat Moss.

Incorporation papers were granted Friday to the American Fibre Co. of South Bend for the manufacture of all kinds of fibre products. The company is capitalized at \$25,000. Don Platt, Otto S. Romine and Lawrence Romine are the directors of the company. The fibre will be manufactured from peat moss, which is procured from land that is held by the company. The product will be used to make fibre board, insulation and other similar materials.

MANY TROUBLES DUE TO WEAK KIDNEYS

"It is no use advertising a medicine unless the medicine itself is good enough to back up the claims you make for it," said W. K. Wetzel, a popular druggist, to a News-Times man. "On the other hand it is a pleasure to sell a medicine when my customers come in afterward and tell me how much good it has done them. And that is why I like to sell and recommend Solvax, the great kidney remedy. Ever since we first introduced Solvax in South Bend my clerks have been so busy selling it that I have a hard time keeping a sufficient stock on hand. I have so much faith in this article that I am going to guarantee it in the future and will return the money to any purchaser of Solvax whom it does not help. This may seem rash, but my customers have said so many good words in its favor that I do not expect to have many packages returned."

This shows great faith in Solvax. It really is a most unusual medicine because it overcomes the worst cases of kidney complaint by removing the cause. It goes straight to the seat of the trouble. It soaks right in and cleans out the kidneys and makes them pass off all the uric acid and poisonous waste matter that lodges in the joints and muscles, causing rheumatic pains; soothes and heals the bladder and quickly ends all such troubles. Nothing is more uncomfortable or hurts a person's perfect enjoyment of life more than troublesome kidneys and their attending evils. Use Solvax and get your full measure of benefit out of life.

NOTRE DAME NEWS

Junior legal lights elected leaders for the ensuing year last night. The following are the successful officers: Stanley Coffill of Cleveland, O., was elected president; Vernon R. Helmen of South Bend, vice president; Francis Kirkland, treasurer, Vincent Vaughn, secretary and Joseph Dorais, sergeant-at-arms. Plans will be made in the near future for a banquet and a dance which is the gist of the society's activities.

The usual noise of the Notre Dame campus was dispensed with at 3 o'clock yesterday when the body of Dr. Edward Lee Greene was placed in the university parlor. Students viewed the body during the afternoon and evening kneeling for a few moments in prayer before the coffin. The students of Brownson hall are constantly in attendance at the bier each spending a few minutes.

The funeral will take place this morning at 8 o'clock. The students, headed by the university band, will accompany the body to the Holy Cross Community cemetery where the burial will be made.

A psychology examination was held at Notre Dame yesterday by Rev. Thomas A. Crumley. The examination was requested by the bureau of education at Washington, D. C. The examinations are being held in all of the universities and colleges throughout the country. The purpose of the examination is to show the relative value of learning by oral and vocal methods. The results of the local examination will be sent to the board at Washington where the results will be analyzed and graded by a board of psychologists. Fr. Crumley has charge of the psychology classes at Notre Dame.

HIGH SCHOOL INTERLUDE ASSURED FOR 1915

Deficit of \$126 to be Made Up by Senior Class Treasury.

There will be a high school interlude, this year.
This was decided by the senior class yesterday afternoon, when they met in one of the longest class meetings of the year, to thresh out the matter. Previous to the meeting Prin. Sims had announced that the lacking \$126 worth of subscriptions would have to be in by 5 o'clock (last) night or there would be no paper.

Joseph Myers in a long speech argued as a memorial to the school, the class should draw from its treasury some two hundred dollars deposited there and pay it to finance the interlude.

This plan was adopted but when it was suggested that it would be possible for the class to give a play or some kind of an entertainment to replenish the treasury, Mr. Sims strenuously objected and said the money could not be raised by any other means than interlude subscriptions.

ALL ARE WELCOME TO "WEINER" ROAST

Plenty of Facilities to Carry Men and Women to Country Club Grounds Today.

The "weiner" roast at the Country club grounds this afternoon will not be limited to the men. It should be understood by all members of the club that the ladies are invited. Prest O'Brien says so, and he ought to know.

Ample transportation facilities will be provided for all. Enough automobiles will be at the Oliver to accommodate all who wish to go. Members and their lady guests are urged to be at the Oliver hotel promptly at 2 o'clock, as the procession will move at that hour.

Architect O'Neil has provided a large pile of seasoned tamarack stumps for a bonfire that will light and warm the grounds, if the weather should happen to be cool, and there will be "weiners" enough for all.

REFUSE \$1,000 FOR SONG

DeRose and Pano Authors of "Good-Bye Soldier Boy."

Billy DeRose and Martin F. Pano, two local song writers, have turned down an offer of \$1,000 for the copyright of their latest piece, "Good-Bye My Soldier Boy." The offer was made by the Melody Shop Music publishers of Peekskill, N. Y. More than 50,000 copies have already been sold in the east.

TRAIN HITS COAL WAGON

An unknown driver of a coal wagon was struck by an eastbound Lake Shore passenger train about 8 o'clock Friday evening at the Arnold crossing, but escaped uninjured, according to reports. The wagon is said to have been carried a block down the track and one of the horses killed.

COURT NOTES

Judgment of \$34.30 was given to Joseph Levan against Louis C. Oxford Friday in superior court in the former's suit to foreclose on a mechanic's lien.

Robertson Bros. received a judgment of \$155.19 against Paul Kuson in superior court Friday. The case was one in which the defendant was being sued on account.

Judge Ford gave a judgment against the defendant of \$298.30 Friday in superior court in the case of the South Bend Brewing association vs. Isaac W. Carrell.

Foreclosure of a mechanic's lien was ordered and judgment in the sum of \$148 given in the case of Christian Albeke vs. Henry Boyd Snee and others Friday in superior court.

AUTO ON FIRE.
Two small fires called out the department Friday afternoon. One was in an automobile, owned by Yerrick and Hildebrand, 1539 Miami st., which was extinguished before any damage was done. The other was at the home of L. Virgil, 1219 S. Main st., where sparks from the chimney caused \$10 damage to the roof.

SUFFRAGET MEETING LIGHTLY ATTENDED

Thirteenth District Fails to Send Many Delegates to Franchise Session.

ELKHART, Ind., Nov. 13. — The 13th district booster meeting of the Indiana Franchise league, arranged under the auspices of the Elkhart league, was held in the Elks' temple Friday.

At the lunch, served by women of the Presbyterian church in the temple's dining hall at noon, there were practically 100 diners, including a sprinkling of men. Rev. A. U. Ogilvie of the Congregational church invoked divine favor.

The first business session was called to order at 10 o'clock by Dr. Hannah O. Stauff, the Elkhart county president of the league organization.

Failure Due to Lack of Work.
Mrs. A. H. Beardsley gave an outline of the local league's achievements in the last two years, and Miss Elmer Barker of Indianapolis, a member of the board of control of the state league, gave a talk on "Why the Vote Failed in the East."

She said the failure of suffrage in the recent elections in New York, Massachusetts and Pennsylvania was because of lack of organization in the smaller municipalities. She said that speakers who went out through the states in the interest of suffrage found in many small towns a lack of interest in the franchise question. This failure to get the question before the voters has determined us to make a nation-wide campaign of publicity," declared Miss Barker. "We must organize the counties as we go and make sure that the rural communities and the small towns and cities know what we are trying to do."

Distant Delegates Fail to Come.
There was some disappointment because delegates failed to come from various points in the district—Goshen being the only one represented except Elkhart. From outside the district, Chicago was represented by Mrs. J. A. Ryan, and Ohio by Miss Beach. The Goshen attendees were Mrs. E. E. Mummert, Mrs. S. F. Spehn, Mrs. Frank Kelly, Dr. Anna Groves Kreezer and Mrs. W. H. Kreezer. However, it was pointed out that the district towns would make only a poor showing, because acceptances were not received to invitations. "They'll all be with us yet," was the optimistic view of the leaders.

Dress in yellow representing women marching to Washington to demand their right of ballot, were given as souvenirs. The hall was decorated in yellow and black—the league colors—and the tables were ornamented with ferns.

Miss Helen Stanton, Mrs. A. H. Beardsley, Mrs. W. G. Hill, Miss Betty White and Mrs. Ford Rogers constituted the reception committee. Miss Ellen Barney and Miss Bess Boker were the committee on the luncheon and decorations.

L. D. Hughes, 76 years old, for 48 years a resident of Lagrange, was killed by a cut of cars on the G. R. & I. at Sturgis, late Friday afternoon. For 15 years he had been superintendent of pickling plants in northern Indiana, and was engaged in such duties Friday when he stepped in front of the cars. He failed to notice their approach because of the rain that was prevailing.

Mr. Hughes was the husband of a sister of Judge J. S. Drake of Goshen. She and a daughter and two sons, all living at different points, survive him. Mr. Hughes was a veteran of the civil war. For many years he was in the hardware business. Anthony Deahl was appointed special judge during Judge Drake's absence from the bench.

Rex Douglas, a former Elkhart resident who lost one leg while hopping cars, has been indicted by the federal grand jury at Indianapolis, and his bond placed at \$1,000.

He is charged with taking Margaret Douglas, his wife, from Chicago to Indianapolis for immoral purposes, with taking Mable Ellison from Chicago to Indianapolis, and with taking his wife from Indianapolis to Louisville, Ky., for the same purpose.

Harry Moyer of Three Rivers, arrested Thursday afternoon on a charge of intoxication, pleaded guilty, paying an assessment of \$11. He was not prosecuted for speeding although he had driven his car onto the walk at Main and Harrison when he attempted to turn onto Harrison st. because he was going so fast he could not control the car.

A keg of whisky, six bottles of beer and two bottles of malt extract were found in the automobile. These he was taking to Three Rivers, which is a dry town. Chief Riblet says Moyer has the reputation of coming here once a week for a supply of liquor, which he buys of a local saloonkeeper.

Chief Riblet notified the Three Rivers authorities of what they found in Moyer's automobile.

Because of an outbreak of hog cholera in the Riverside school community, just east of Elkhart, County Agricultural Agent G. E. Metzger has issued a call for a public meeting in that school house next Monday evening, for the purpose of studying the disease and interchanging advice as to how best to combat it. He makes the invitation general to all interested in the matter.

Although the Bristol concrete road has been completed two weeks, a portion cannot be used because of delay in constructing the new iron bridge at Martindale's creek. The farmers are talking of asking privilege to erect a temporary wooden structure, in view of the possibly extended delay in the permanent improvement. A detour requiring three extra miles is now necessary.

KILLED WHILE TRYING TO TURN OUT LIGHT

BEDFORD, Ind., Nov. 13.—Mrs. E. R. Dobbins, 32 years old, superintendent of the Dobbins hotel dining room, is dead, and Miss Blanche Iked and John McLellan employees of the same establishment, are suffering from shock caused by electricity.

Mrs. Dobbins was turning out the light which evidently was crossed with a high voltage circuit and the current had to be cut off before her grip could be relaxed. The other two had attempted to turn out the light.

"SHUR-ON" EYEGLASSES \$3.75.
Eyes examined free. Dr. Paul's Optical Service, 209 J. M. S. Bldg. Adv.

Theaters

AT THE OLIVER.
A popular priced matinee of "Madame X" will be given at the Oliver theater at 2:30 today by the Oliver players. This piece appeals strongly to the women showgoers in consequence of which the matinees have been largely attended and the advance sale for this afternoon is already very large. "Madame X" will be given again this evening and starting tomorrow afternoon "Kindling" will be the bill for the first part of the week to be followed by "Our New Minister."

AT THE AUDITORIUM.
"The Woman in the Box," a two part drama with Harry Morey and L. Rogers Lytton in the cast, is the feature at the Auditorium today. Milton Ashton of the U. S. secret service is sent to Mexico to discover if that country is really leasing an island in the Pacific to a foreign country. In Mexico City he attends the opera and becomes greatly attracted toward a beautiful woman seated in the box opposite. He afterwards meets her and takes her to supper, after which she leaves abruptly and returns home alone. The following evening he attends a ball at the Mexican secretary of war's home, and the hostess proves to be the lady whom he met at the opera. She is an American-born woman and having found in her husband's papers the document relating to the leasing of the island and proving he is a traitor, she shows Milton a copy of it. Her husband's brutality towards her has become unbearable and she determines to thwart his traitorous plan against the island and her birth. He is finally assassinated by a rival politician and after securing the telltale paper and delivering it to Washington Milton returns to Mexico City and woos and wins the widow "Brown's Summer Boarders," a single reel comedy; "Cartoons in the Country;" "On the Turn of the Card," and the Selig weekly are also on the bill.

AT THE LASALLE.
Today's program at the LaSalle features Dorothy Bernard in an English drama entitled, "The Little Gypsy." This is a return engagement of a photoplay shown here a few weeks ago and which gave excellent satisfaction at that time. The story is similar to "The Little Minister," once played by Maude Adams. The principal roles are enacted by a capable company. Paramount pictures are also shown.

Standard attraction at the LaSalle is entitled, "The Brink," a play of love, conspiracy and regeneration, starring Forrest Winant and Rhea Mitchell in the principal roles. It is a story of the underworld and relates how the love of a pure young girl saves her from wrong doing. A comedy is also shown.

AT THE COLONIAL.
"Romance of the Alps," a positively new screen, appearing at the Colonial today, is really an advance release as it will not be seen in the larger cities until Sunday. It is so new from the manufacturers that even press notices have not as yet been furnished the play houses. The production is so fine that audiences are depended upon to assist as press agents by telling their friends. It is a genuine "Romance of the Alps," pleasing and full of thrills.

AT THE ORPHEUM.
Final performances will be given at the Orpheum today of present bill of vaudeville headed by a showy horse and dog act, presented by Olympia Des Vall and her assistants. Charles Seaman, an eccentric comedian and musician, presents a novel act and Tom Davis and Co. offer a matrimonial farce entitled, "Checkmated." Herbert and Dennie and Paula Azella complete the bill.

Beginning Sunday a new program will be offered featuring Everette's monkey circus. Keno and Green, singers and dancers, and three other acts.

AT THE STRAND.
The musical comedy company now playing at the Strand offers a lively program of farce, songs and dances under the title of "Don't Lie to Your Wife." The ballad singing of Eddie Burns and a ragtime song, "The Plantation Ball," by Eddie Noel are two of the features. Starting Sunday a new bill will be offered entitled, "The Yiddish Sweetheart."

KILLED BY AUTO.
MARION, Ind., Nov. 13.—Run down by an automobile driven by Dr. Albert O. Davis, Mrs. William Slodcock, 58 years old, died a few hours later in the county hospital Thursday night.
